#### Curated Designs

Produced by hand in Europe with European materials. All shoes are snow and water-proof. INUIKII follows a strictly sustainable approach working with organic and certified materials. All shoes are equipped with a 100% bio-rubber-sole for the city and mountains.

#### A Family Affair

We like to see ourselves as one big family – says Cinzia Maag Founder and CEO of INUIKII – celebrating the unique individualities and strengths each of us bring to INUIKII. Our ultimate aim is to allow the wearer of each of our pieces to feel stylish and comfortable.

Technical performance featuring aesthetic design. INUIKII has expanded the technical line supporting rough weather and winter conditions. Super water repellent and durable on ice, water and snow. A perfect everyday winter friend.

# Sneakers collection

Levitare with our ultra-light Matilda sneaker and discover our pillars of the streets aka. our brand-new Matilda sneaker. The goal was to offer women a perfectly versatile shoe for in-between seasons. A sneaker that is the perfect companion for springtime. The feedback on our urban and feminine all-rounder sneaker Matilda Leather was overwhelming. The premium leather material and ultra-light but chunky rubber sole as well as its versatility make it so unique — you can wear it very chic or very sporty and 365 days a year.
